Southern Region EOC

Normal Operations

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

Mud Pot Geyser, Niland, Imperial County

On 10/04/18, Imperial Operational Area (OA) notified Cal OES that the existing geyser moved approximately 50 feet toward the Union Pacific Railroad (UPRR) tracks, defeating a metal wall that had been erected as a mitigation measure.

- The movement impacts a UPRR track.
- This will slow down train traffic considerably.
- Shoofly Bypass needs to be finalized to allow trains to safely transit the area.
- The Cal OES Southern Region Duty Officer (SDO) is monitoring and participating in conference calls with the OA.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

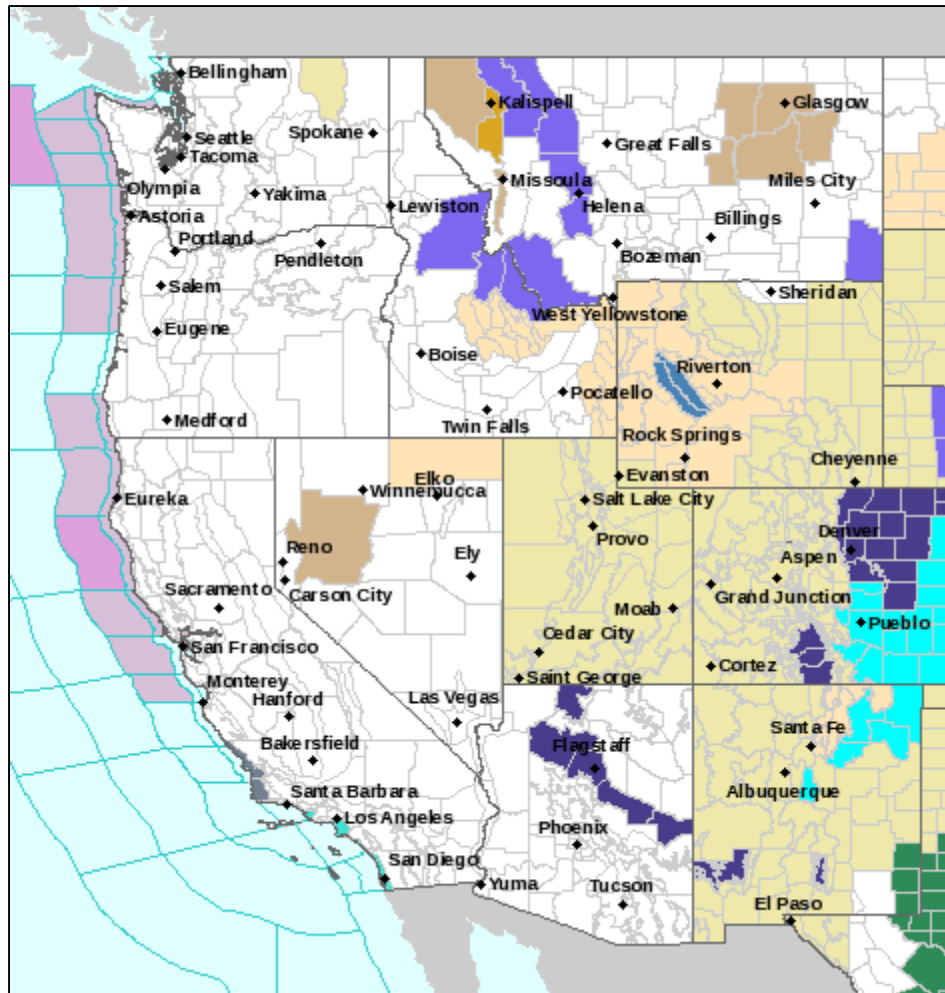

- Windy areas Lake/Napa County mountains had enough recent precipitation to help mitigate fire potential.
- Weak low pressure trough moves through the region today and Wednesday, some light precipitation possible near the OR border/in northern Sierra Tahoe to Mt. Lassen.
- Moderate, gusty NW afternoon wind today, east of Cascade/Sierra crest from that trough.
- Mostly clear skies prevailing next 6 days, although higher clouds expected at times, mainly northern/eastern areas.
- Periods of gusty N to E winds returning late Thursday, lasting into the weekend, strongest/decisively offshore at night.
- Afternoon high temperatures remain within 5 degrees of seasonal values, warmest inland areas mostly lower 80s next 6 days.

SOUTHERN CALIFORNIA

- Central and Southern California will be in between weather systems then a few more troughs will drop into the Great Basin from Western Canada today through Thursday. An area of low pressure will form off the Southern California Coast Friday and push inland Saturday. A minor amount of moisture from Hurricane Sergio may get entrained in this low-pressure area. High pressure may build into California from the Pacific Ocean starting Sunday.
- Temperatures will remain 5 to 10 degrees below normal through Saturday, with mid 50s to mid 60s across the mountains and 70s to low 80s in the valleys.
- Southwest to west winds of 20 to 30 mph with gusts to 50 mph will surface across the mountain ridges and desert passes this afternoon through Wednesday night.
- Scattered showers will be possible over the Sierra Wednesday afternoon through Thursday night.
- Scattered showers and thunderstorms will be possible across Southern California Thursday night into Saturday.
- Temperatures will warm to near normal Sunday.
- Strong and gusty offshore winds will be possible across Southern California starting Sunday morning.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-52025, 09/30/18, 1400 hours:** Port of San Diego requested assistance from the Cal OES Law Enforcement Branch/Cyber Security Integration Center to mitigate a technology attack to their server. Cal OES deployed a Cal-CSIC team comprised of Cal-CSIC, California Military Department (CMD), and California Department of Technology (CDT) staff. **Update as of 10/04/18:** Cal-CSIC has three team members at Port of San Diego assisting with forensics and recommending best practices as the port works to restore IT services. The team consists of one each cyber analyst from Cal OES, CMD, and CDT. The mission is expected to extend through 10/12/18. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
